No. 248.—The cost of firing the time guns at various stations in the Madras Presidency has been borne hitherto either partly or wholly by the Military Department. Recently that department decided to discontinue the practice of firing these guns, as it serves no military purpose commensurate with the expenditure incurred. As the Government apprehended that the effect of the decision might in some places cause discontent among the civil population, the Government immediately on receipt of the intimation of the decision, provided the local authorities agreed to bear all expenditure incurred in the supply of ammunition and maintenance of the guns. The proposal was approved by the Corporation of Madras, and the Municipal Council at Coimbatore. Arrangements have been made for the maintenance of the time guns at Madras and Coimbatore and the abolition of the guns at St. Thomas' Mount and Wellington.

It is now of the opinion of the Government of Madras that the Madras Government offered to pay half the cost of the time guns, but the Government of Madras declined to do so. If the Commissioner does not dismiss the application under rule 20 or rule 19, he shall send to the party from whom the applicant claims relief (hereinafter referred to as the opposite party) a copy of the application, together with a notice of the date on which he will dispose of the application, and may tell upon the parties to produce upon that date a copy of evidence which they may wish to tender.

Appearance and examination of opposite party. 22. (1) The opposite party may, and if so required by the Commissioner, shall, at or before the first hearing or within such time as the Commissioner may permit, file a written statement dealing with the claims stated in the application, and any such written statement shall form part of the record.

(2) If the opposite party contains the claim, the Commissioner may, and, if he wishes, shall proceed to examine him upon the claim, and shall reduce the result of the examination in writing.

Proceedings on claim. 23. (1) After considering any written statement and the result of any examination of the parties, the Commissioner shall ascertain upon what material propositions of fact or of law the parties are at variance, and shall thereupon proceed to frame and read the issues upon which the right decision of the case appears to him to depend.

(2) In framing the issues, the Commissioner shall distinguish between those issues which in his opinion involve points of fact and those which involve points of law.

Power to postpone trial of issues of fact. 24. Where matters both of law and of fact arise in the same case, and the Commissioner is of opinion that the case may be disposed of on the issues of law only, he may by order postpone the trial of those issues of fact, and the trial of those issues of law may be determined.

Order. 25. The Commissioner shall maintain under his hand a brief diary of the proceedings on an application.

Reason for postponement to be recorded. 26. If the Commissioner finds it impossible to dispose of an application at one hearing, he shall record the reasons which necessitate a postponement.

Judgment. 27. (1) The Commissioner, on passing orders, shall record concisely in a judgment his finding on each of the issues framed and his reasons for each finding.

(2) The Commissioner, at the time of signing and dating his judgment, shall pronounce his decision, and therefore no addition or alteration shall be made in the judgment other than the correction of a clerical or accidental mistake arising from any accidental slip or omission.

Summons for witnesses. 28. If an application is presented by any party to the proceedings for the admission of witnesses, the Commissioner shall, on payment of the prescribed expenses and fees, issue summonses for the appearance of such witnesses, unless he is satisfied that their appearance is not necessary for the just decision of the case.

31. If the Commissioner is satisfied that the applicant is unable, by reason of poverty, to pay the prescribed fee, he may remit any or all of such fee. If the case is decided in favour of the applicant, the prescribed fee, which, but for this sub-section, would have been due to be paid, may be added to the costs of the case and recovered in such manner as the Commissioner in his order regarding costs may direct.

32. A Commissioner before whom any proceeding relating to an injury by accident is pending may at any time enter the place where the workman was injured, or where the workman actually performed his work, for the purpose of making a local inspection or of obtaining any person likely to be able to give information relevant to the proceedings.

Provided that the Commissioner shall not enter any premises of any industrial establishment except during the ordinary working hours of that establishment, save with the permission of the employer or of some person directly responsible to him for the management of the establishment.

33. (1) If the Commissioner proposes to conduct a local inspection with a view to ascertaining as to the facts the circumstances in which an accident took place, he shall give the parties at least seven days' notice of his intention to conduct such inspection, unless in his opinion the urgency of the case renders the giving of such notice impracticable.

(2) Such notice may be given orally or in writing, and, in the case of an employer, may be given to any person upon whom notice of a claim has been served under sub-section (1) of section 12, or to the representative of any such person.

(3) Any party, or the representative of any party, may accompany the Commissioner on a local inspection.

(4) The Commissioner, after making a local inspection, shall note briefly in a memorandum any facts observed, and shall show the memorandum to any party who desires to see the same, and, on payment of the prescribed fee, shall supply any party with a copy thereof.

(5) This memorandum shall form part of the record.

34. (1) The Commissioner during his local inspection or at any other time, or at a formal hearing of a case pending before him, may examine separately any person likely to be able to give information relevant to such case, whether such person has been or is to be called as a witness in the case or not, and whether any or all of the parties are present or not.

(2) No individual shall be interviewed in a private dwelling under sub-rule (1).

(3) Statements made by persons examined under sub-rule (1) if reduced to writing, shall not be signed by the person making the statement, nor shall they, except as hereinafter provided, be incorporated in the record or relied by the Commissioner for the purpose of arriving at a decision in the case.

(4) If a witness who has been examined under sub-rule (1) wishes to endorse any material statement made during any statement made by him in such examination and reduced to writing, the Commissioner may add his attention to such statement and shall in that case direct that the parties be furnished with the relevant part of such statement for the purpose of endorsing or amending the witness's statement.

(5) Any statement or part of a statement which is furnished to the parties under sub-rule (4) shall be incorporated in the record.

(6) Where a case is settled by agreement between the parties, the Commissioner may incorporate in the record any statement made under sub-rule (1), and may allow such statement for the purpose of, or relying on acceptance of, or as evidence to accept, the agreement reached.

35. (1) If a party states in writing his willingness to abide by the decision of the Commissioner, the Commissioner shall inquire whether the other party is willing to abide by the Commissioner's decision.

(2) If the other party agrees to abide by the Commissioner's decision, the fact of his agreement shall be recorded in writing and signed by him.

(3) If the other party does not agree to abide by the Commissioner's decision, the first party shall not remain under an obligation to abide.

36. (1) Where the opposite party states that if compensation is recovered against him he will be entitled under sub-section (1) of section 22 to be indemnified by a person not being a party to the case, he shall, when first called upon to answer the application, present a notice of such claim to the Commissioner accompanied by the prescribed fee, and the Commissioner shall thereupon take notice in such manner as he may direct.

(2) If any person served with a notice under sub-rule (1) desires to contest the applicant's claim for compensation or the opposite party's claim to be indemnified, he shall appear before the Commissioner on the date fixed for the hearing of the case or on any date to which the case may be adjourned and, if he so pleads, shall have the right of a party to the proceedings in relation to appearing or not to appear to be decided by the Commissioner. If he does not appear, he shall be deemed to admit the validity of any award made against the opposite party and to admit his own liability to indemnify the opposite party for any compensation recovered from him.

Provided that, if any person so called appears and pleads guilty and admits the Commissioner that he was prevented by any accident or other cause from appearing, the Commissioner shall, after giving notice to the above-named opposite party, hear such person, and may not make or vary any award made against such person unless that rule upon such terms as may be just.

(3) In any proceeding in which a notice has been served on any person under sub-rule (1), the Commissioner shall, if he deems appropriate, record in his judgment a finding whether the person against whom such claim is made is or is not liable to indemnify the opposite party.

Procedure in case of evidence in case. 37. (1) Where two or more cases are pending before a Commissioner's officer and of the same nature, and any one involved is common to two or more such cases, each case may, so far as the evidence bearing on such issue is concerned, be heard simultaneously.

(2) Where action is taken under sub-rule (1), the evidence bearing on the common issue or issues shall be recorded at the end of one case, and the Commissioner shall certify under his hand on the records of any such other case the extent to which the evidence so recorded applies to such other case, and the fact that the parties to such other case had the opportunity of being present, and, if they were present, of cross-examining the witnesses.

Excluded provisions of Code of Civil Procedure, 1908, to apply. 38. Save as otherwise expressly provided in the Act or these rules, the following provisions of the First Schedule to the Code of Civil Procedure, 1908, namely, those contained in Order V, rules 1 to 10; Order VII, rules 2 to 10; Order IX, Order XIII; Order XVI; Order XVII; and Order XXIII, rules 1 and 2, shall apply to proceedings before Commissioners, so far as they may be applicable thereto.

Pending Case. (a) In the course of facilitating the application of the said provisions, the Commissioner may consider them with such alterations and additions the settlement of which may be necessary or proper to adapt them to the matter before him.

(b) The Commissioner may, for sufficient reason, permit otherwise than in accordance with the said provisions, if he is satisfied that the interests of the parties will not thereby be prejudiced.

Appointments of magistrates. 39. The provisions of this Part, except those mentioned in rules 23, 24 and 26 shall, so far as may be, apply to the case of any proceedings relating to the appointment of magistrates among dependents of a deceased husband.

PART VI.

TRANSMISSION.

Transmit for report. 40. (1) A Commissioner transmitting any matter to another Commissioner for report in accordance with sub-section (1) of section 21 shall, along with the documents referred to in that sub-section, transmit to such other Commissioner a written statement, in the form of questions for answer, of the matter on which report is required.

(2) A Commissioner to whom a case is so transmitted for report shall not be required to report on any question of law.

Transmission of money transmitted by one Commissioner to another in accordance with sub-section (1) of section 21 shall be transmitted either by remittance in the receipt, or by money order, or by messenger, as the Commissioner transmitting the money may direct.

PART VII.

APPOINTMENT OF REPRESENTATIVES.

When representative may be appointed. 41. Where any party to a proceeding is under the age of 18 years or is unable to make an appearance, the Commissioner shall appoint some suitable person, who shall act as the representative, in a proceeding partly for the purposes of the proceeding.

When new representative to be appointed. 42. If the Commissioner considers that the interests of any party for whom a representative has been appointed under rule 41 are not being adequately protected by that representative, or if a person appointed to act as representative dies, or becomes incapable of acting, or otherwise ceases to act as such, the Commissioner shall appoint in his place another person who consents to the appointment.

PART VIII.

RECORD OF MEMORANDA OF AGREEMENT.

Form of memorandum. 43. Memoranda of agreement entered into by the Commissioner under sub-section (1) of section 29 shall, unless the Commissioner otherwise directs, be in duplicate, and shall be in as also conformity with the circumstances of the case with Form E or Form F or Form G as the case may be.

Procedure when Commissioner does not consider that it should relate to oral agreement. 44. (1) On receiving a memorandum of agreement, the Commissioner shall, unless he is satisfied that there are grounds for refusing to record the memorandum, fix a date for recording the same, and shall issue a notice in writing to the parties concerned that in default of objection he proposes to record the memorandum on the date so fixed.

Provided that the notice may be communicated orally to any parties who are present at the time when notice is written, and otherwise in writing.

(2) On the date so fixed, the Commissioner shall record the memorandum, unless, after hearing any of the parties who appear and desire to be heard, he considers that it ought not to be recorded.

Provided that the issue of a notice under sub-rule (1) shall not be deemed to prevent the Commissioner from refusing to record the memorandum on the date so fixed even if no objection is made by any party concerned.

(3) If on such date the Commissioner decides that the memorandum ought not to be recorded, he shall inform the parties present of his decision and of the reasons therefor, and, if any party desiring the memorandum to be recorded is not present, he shall send intimation to that party in Form G.

44. (1) If, on producing a memorandum of agreement, the Commissioner decides that there are grounds for refusing to prove the same, he shall fix a date for hearing the party or parties on, if he thinks fit, any other party concerned, of the date so fixed and of the grounds on which he decides that the memorandum should not be proved.

(2) If the parties to be informed are not present, a written notice shall be sent to them in Form 2 or Form 4, as the case may be, and the date fixed in such notice shall be not less than seven days after the date of the issue of the notice.

(3) If, on the date fixed under sub-rule (2), the party or parties desiring the memorandum to be recorded show adequate cause for proceeding in the event of the same, the Commissioner may, if information has already been given to all the parties concerned, record the agreement. If information has not been given to all such parties, he shall proceed in accordance with rule 45.

(4) If, on the date so fixed, the Commissioner refuses to record the memorandum, he shall send notice in Form 5 to any party who did not receive information under sub-rule (2).

Provision as to refusal to record same. (5) If in any case the Commissioner refuses to record a memorandum of agreement, he shall likewise record his reasons for such refusal.

(6) If the Commissioner refuses to record a memorandum of agreement, he shall not pay any order directing the payment of any sum or interest thereon and where the same specified in the agreement, and no opportunity has been given to the party liable to pay such sum, to show cause why it should not be paid.

(7) Where the agreement is for the redemption of half monthly payments by the payment of a lump sum, and the Commissioner decides that the memorandum of agreement should not be recorded by reason of the inadequacy of the amount of such sum as fixed in the agreement, he shall record his estimate of the probable duration of the defaulting of the workman.

45. In recording a memorandum of agreement, the Commissioner shall cause the same to be registered in a register in Form 6, and shall cause an endorsement to be entered in the register to the effect that the agreement has been recorded in the following terms, namely:—

NOTIFICATIONS.

Fort St. George, July 18, 1924 (G. O. No. 1443, P. N.).

No. 758.—The Government are pleased to direct that the name of the Government Maternity Hospital, Madras, be changed to "Government Hospital for Women and Children, Madras".

Fort St. George, July 7, 1924 (G. O. No. 1438, L. & M.).

No. 759.—Under rule 14 of the rules for the working of provident fund institutions maintained by local boards and municipal councils, the account of a subscriber has to be closed on the occurrence of one or other of the contingencies mentioned in that rule. The proviso to rule 14 provides that all payments under that rule are subject to such recoveries as may be ordered by the president or chairman under rule 13. The combined effect of these provisions is that the subscriber cannot actually be paid the amount standing to his credit in the provident fund account on the date of closure of his account under rule 14, until the recoveries if any to be made from him have been ascertained. The question has been raised whether the subscriber should be allowed interest for the period between the date of closure of his account and that of actual payment. The Government consider it equitable that an amount should be considered to be closed only after the recoveries due from a subscriber have been ascertained and that interest should be allowed until the account is

closed and indicating thereof is sent to the subscriber. No interest need be paid after such date. With reference to section 71 of the Madras Local Boards Act, 1920, and section 74 of the Madras District Municipalities Act, 1920, district boards and municipal councils are advised to frame a regulation in the following form to be inserted as rule 3 under rule 15 of the present fund rules:—

"If the recoveries to be made from a subscriber under rule 15 have not been ascertained as the date of closure of his account under rule 14 and delay in payment is caused thereby, interest should be allowed to the subscriber until he is given intimation that the recoveries to be made from him have been ascertained and that he may receive payment of the amount due to him. No interest will be payable after the date on which intimation is sent to the subscriber."

Act St. George, July 8, 1921 (G.O. No. 1807, P.I.).

No. 707.—Sections 242, 250 and Schedule V of the Madras District Municipalities Act, 1920, sections 192, 194 and Schedule VII of the Madras Local Boards Act, 1920, and sections 257, 258 and Schedule VI of the Madras City Municipal Act, 1919, require that a license should be taken for a place in which machinery is used for any industrial purpose. The authorities in charge of educational institutions in which oil-engines or similar machines are installed for educational purposes may, under these provisions, be compelled to take out licenses for such purposes. Section 251 (2) of the Madras District Municipalities Act, 1920, section 214 (5) of the Madras Local Boards Act, 1920, and section 265 (3) of the Madras City Municipal Act, 1919, give the option to the local bodies concerned to charge fees for the license or permission granted in such cases.

It has been represented to the Government that in such cases machinery is installed primarily for educational purposes, i.e., for training pupils in the use of machinery, and that no substantial income accrues to the authorities by the sale of articles produced by these institutions. It has therefore been urged that the interests of industrial education in the Presidency will be advanced to a great extent if such institutions are exempted from the payment of license fees and that the loss which the local bodies will thereby suffer will of the same time be negligible. The Director of Industries also recommends the proposal.

3. The Government consider that there is considerable force in the representation made to them and strongly recommend to the reconsideration of all local bodies the desirability of charging either no fee or only a nominal fee in respect of all institutions in which machinery is installed for educational purposes.

Act St. George, July 8, 1921 (G.O. No. 1808, L. & M.).

No. 708.—In G.O. No. 813, L. & M., dated 15th April 1921, a draft of the rules which the Government proposed to make for the engagement of and payment of fees in placebos by municipal councils and local boards was sent for general information and criticism. No suggestion or objection has been made by the local bodies; the Chairman, Municipal Council, Madhavpet, and the Collector, Porywaddur, and Committee Municipal Councils have submitted their suggestions. The Government have carefully considered these suggestions but are of the opinion that the rules should be set on a separate list some time and that any provision differently which may arise should be provided for later. The rules are accordingly confirmed.

4. The proposed regulations will be published in the *Act St. George Gazette* and will be published in the district gazettes in English and in the vernacular.

Port St. George, July 14, 1924 (G.O. No. 1443, L. & M.)

No. 713.—In view of the impending meeting of the general body of the Cuddapah District Board and of the resolution of the Board No. 41, dated 2nd May 1924, asking for the privilege of having its president, the Government have carefully considered the question whether the post should be thrown open to election.

2. In the present condition of the Cuddapah district which is very backward in many respects, the Government are of opinion that it is not expedient to grant to the district board the privilege of choosing its president. They consider that the revenue in the hands of Government of the nature of appointing the president for another term is necessary in the interests of the administration of the district board. Under sections 12 (1) and 13 of the Madras Local Boards Act, 1920, they accordingly appoint M. R. Raj Bahadur T. M. Nannabachari as President of the Cuddapah District Board.

3. The revenue outside grant has been published in Part I-A of the *Port St. George Gazette*—vide Notification No. 664, dated 14th July 1924.

B.A. (HONOURS) DEGREE EXAMINATIONS—SCIENCE IV—PHILOSOPHY (1924—25)

With reference to (5) syllabus in European Philosophy published at page 412 of Volume I of the Calendar, 1924, it is hereby notified that the following revised syllabus has been substituted in its place:—

REVISED B.A. (HONOURS) (AND M.A.) SYLLABUS IN SCIENCE IV—EUROPEAN PHILOSOPHY.

A.—From Thales to the Sto-Philosophs.

This period being commonly studied in the first year of the student's Honours course, it is recommended that the method of teaching should in this case be by exposition and criticism of a text-book. W. T. Storer's 'A Critical History of Greek Philosophy' is suggested as suitable for the purpose.

B.—From the Middle Ages to Descartes.

Rapid survey of Scholasticism with special reference to the controversy between Realism and Nominalism. Brief characterisation of the Renaissance. Influence on philosophy of the discovery of the law of motion and the rise of the experimental method. Critical study of the conflicting theories in the philosophical thought of Descartes and of Spinoza. The reconstruction of Descartes in Leibniz. Critical study of the rise, development and bankruptcy of 'The Way of Ideas' established in the teaching of Locke, Berkeley, and Hume.

C.—From Kant to Hegel.

Kant's relation to Leibniz and to Hume. Nature of the Transcendental or Critical Method. Brief description of the problem and the evolution of the Transcendental Method. The Metaphysical Deduction of the Categories—a brief characterisation. Careful exposition of the gist of (a) the Transcendental Deduction of the Categories, and (b) the First and Second Analogies. Subjectivism and phenomenalism in Kant. The sceptical and idealist tendencies (epistemology) in the Transcendental Dialectic. Brief exposition of Kant's treatment of the Paralogisms, the Antinomies and the Postulates for the Reason of God. Relation between the Critique of Pure and of Practical Reason. The reality of freedom. Revised position of the Critique of Judgement. Kant's hypothetical assimilation of mechanism and teleology. Critical study of Fichte's way of transferring the Kantian phenomena-logic into an absolute idealism. Brief description of Schelling's advance upon Fichte. Hegel's criticism of Fichte and Schelling. Careful exposition of the significance of Hegel's identification of logic and metaphysics. Brief statement of the nature of the order in which he advanced himself respectively in the Phenomenology, the Logic, and the Philosophy of Nature and of Spirit. Understanding and Reason. Abstract and concrete. The Dialectical Principle. Revision of the Hegelian criticism of time. The Real and the Rational. Alleged idealisation of the Hegelian system.

Senate House, 23rd July 1924.

It is hereby notified that Always has been made an additional entry for the B.A. Degree Examination as from the examination of April 1925.

Senate House, 17th July 1924.

It is hereby notified that the Nicholson's College, Yarrowdram, has been granted further affiliation in Group (A-A) Botany Bacc and Biology Subsidiary of the B.A. Degree course.

It is hereby notified that the Queen Mary's College for Women, Madras, has been further recognised by the University in Groups (1) and (2) of the Intermediate scheme of study.
